

THE NEW GROEN STEAMER LINE UP.

With a focus on ease-of-use, cost and energy efficiency, and meal flexibility, Unified Brands works hard to provide solutions to the steam challenges you face. And to make the best even better — INTEK steamers have just been added to the mix!

Groen's Intek batch steamers are the most efficient, highest performing, highest capacity gas or electric ENERGY STAR® rated models available.*

Whether you're batch cooking hot dogs or veggies, retherming your pasta, whether your steam needs are versatile — changing day-to-day, or a la cart — made to order, the new Groen steamer line up has a solution for all of your steam needs. So no matter what you're steaming, we've got a steamer for you.

*FSTC Independent, third-party test.
